(1) Travelling expenses include the cost of hiring other than Provincial aircraft where these costs have been identified as relating to individual Members of the Legislative Assembly and Members of the Executive Council. The costs of hiring aircraft from Government Services Statutory Advance are not included.

(2) Travelling expenses do not include the National Defence Headquarters charge for the use of a Government of Canada aircraft by the Alberta Government Mission to Europe and the Middle East in June, 1977.

(3) Under authority of Treasury Board Minute No. 1357 dated 22-Nov-76, Government Services Statutory Advance purchases automobiles for the use of Members of the Executive Council and charges a monthly rental to the departments concerned. The monthly rental charges are included as travelling expenses in this statement, however, some Ministers used automobiles, for all or part of the year, that had been purchased by a department prior to approval of the Minute. There is, therefore, no rental charge included for these vehicles.
